LIQUEFY LOVE

8th-Level Enchantment Spell

Casting Time: 1 hour

Range: Personal

Components: M

Duration: 1 year or until used

Attack/Save: CHA Save

Damage/Effect: Charmed

Available For: Bard, Sorcerer, Warlock, Wizard

You brew a specific potion you are attuned to. When a creature drinks it, it must succeed on a Charisma saving throw or be charmed by you for 24 hours. If you or creatures that are friendly to you are fighting it, it has advantage on the saving throw. That creature will be able to pinpoint your location relative to them for the duration of the effect. When the creature is able to perceive you directly, you can issue commands to the creature while you are conscious (no action required), which it does its best to obey (as the "Dominate Monster" spell, but you can't take control of the target).

As soon as you cast this ritual, any other Love Potions attuned to you become just regular honey brandy. Material components include cinnamon, cacao, damiana, shatavari, vanilla and raw honey in a solution of Brandy at 80 proof.

As a magic item, the potion is considered rare.
